Becky

Yes. Alan Engels is our FOIA coordinator and POC, but he's instructed to refer all media

inquiries to our own r8 public affairs director, Paula Smith. Rebecca Russo is acting for Paula today. Let me know if you have any concerns.

Region 8 is taking the lead on all FOIAs relating to the Release.

If the question is FOIA related, I would be the single POC.

If there is an open question that is not FOIA related it should be directed to the
Region 8 Office of Communications and Public Involvement.

The Regional Lead Attorney for all Release related activities is Mike Boydston.

This Region 8 Team is working with Becky Dolph to ensure we are communicating
with all regions and HQ personnel to ensure collections are FOIA are complete and
that the flow of information continues to move and is presented in an orderly and
meaningful way.

Start with Beck Dolph, she will know who the POC is or should be.

We need to have a single name and we need to make sure this person knows that they have
been named as the FOIA POC and that they might be getting press inquiries.

Also, Becky Dolph who leads the FEAT is a good contact. She mentioned this FOIA in a
meeting this morning.

Thanks,

Pam,

Larry would be the right person, although he is off today. Vivian Warden will be able to help, but the main POC for the Agency is Region 8. I have copied Alan Engels above.
